

Academic Developer in Corporate Social Responsibility Position reference OSE-RDACsr-22-AUD

Audencia (www.audencia.com) invites applications for a position as an Academic Developer in Corporate Social Responsibility. The position is for a full-time, non-fixed term contract and is effective immediately.

Deadline for applications: August 31, 2022.

Position requirements

We are looking for applicants specialized in Corporate Social Responsibility, Sustainability and broad areas of Business and Society. Applicants shall hold a Master degree and have a significant professional experience. They should be able to demonstrate strong teaching skills with experience at graduate, post-graduate and executive education levels. The teaching will deal, especially but not exclusively, with the scientific, managerial and ethical issues of corporate social responsibility. Demonstrated ability to create and coordinate educational programmes such as MSc, Master or Bachelor Degree Specializations and to work effectively with various organizations is required for the position. The teaching associated with the position will be in French and English. The applicant should demonstrate the ability to work autonomously and respect accreditation expectations.

Position overview

Academic Developers are versatile profiles. This role will specifically contribute to teaching activities across Corporate Social Responsibility and broader Business & Society areas, while also managing new and existing programs, and supporting school level CSR activities.

The new faculty member will join the Department of Organization Studies and Ethics at Audencia. The department consists of 30 core faculty members. The research we undertake and the courses we offer in our department encompass a wide range of topics grouped within the following expertise poles that are interrelated and have an interdisciplinary outlook: Sustainability, CSR and Ethics; Organization Studies; Human Resource Management; Organizational Behavior. The department is home to several CSR related programs such as Managing Sustainable Impact Major degree specialization, and Acteur Pour la Transition Énergétique (APTE) specialized Master's degree. Our department is also home to the Positive Impact Chair and PRME network.

There are a number of benefits attached to the contract including performance-based bonuses and family medical coverage.

The School

Audencia is triple accredited (AACSB, EQUIS and AMBA) and one of the leading European and French business schools. The school offers a wide range of programs including MS Grande Ecole, MScs, MBA, Executive MBA, European Master in Management, Doctorate and Executive Education Programmes, with 149 core faculty members representing 32 countries. The school is very dynamic, it has grown significantly in recent years and will continue to do so with new positions opening in the future. Audencia fosters both high-quality research and high-quality pedagogy and has a workload model that allows faculty to place emphasis on either of the two.

Environment

The school has campuses in France and abroad. This position is for the Nantes campus. Nantes is just 2 hours away from Paris by train, serviced by an international airport. The eclecticism of its landscapes and architecture, its dynamism and the diversity of its cultural events, along with the quality of the environment which won it the label of European Green Capital, regularly places Nantes at the top of the best cities to live

in. In addition to its pleasant environment (vineyards, royal castles, rivers, the sandy Atlantic coast...), the city also boasts a rich economic and industrial identity. As the 6th largest city in France, the metropolitan region of Nantes is number two in the country in terms of job growth. As of 2021 there are more than 55 803 companies housed in the city.

Application

Candidates should send a cover letter, a recent curriculum vitae including evidence of teaching and supporting CSR experience, and contact information of two referees by e-mail to: Prof. Thibaut BARDON, Associate Dean for Faculty: faculty-recruitment@audencia.com
