

Assistant/Associate Professor in Organizational Behavior / Human Resources

Audencia Business School is triple accredited (AACSB, EQUIS and AMBA), and one of the leading European and French business schools. It offers a wide range of programs including MSc, MBA, Executive MBA, European Master in Management, Doctorate and Executive Education Programmes, with 120 core faculty members from 25 countries.

Audencia Business School (www.audencia.com) invites applications for a full-time Assistant/ Associate Professor in Organizational Behavior / Human Resources Management, effective from September 2019. Review of applications will begin immediately, and continues until the position is filled.

Position requirements

The candidate for the position must:

- Hold a PhD
- Have a strong publication record in top-ranked international journals
- Commit to the development of both pedagogical as well as research activities at Audencia
- Demonstrate evidence of excellence in high-level teaching in English and French.

The school offers French courses to non-French speaking faculty. There are a number of benefits including an individual research budget, an annual call for significant research funding by our foundation, research bonuses and performance-based bonuses for other activities, and medical coverage.

Position overview

The position is located within Audencia's Management Department. Main duties and responsibilities:

1. Design, lead and deliver courses in graduate programs (Master and MSc) and eventually post-graduate programs (MBA, Executive students) in the broad field of Management and especially in OB/HRM and soft skills.
2. Contribute to the school's research excellence in the Organizational Behavior, Soft Skills and Human Resources Management field.

An interest for the broad notions of 'competencies' and 'skills' would be appreciated.

Campus location

The job will be based on our campus in Nantes, which is serviced by an international airport and just 2 hours away from Paris by train. With a vibrant city life full of cultural and social events, the sandy Atlantic coast to the west of the city and rolling vineyards and royal castles to the east, it is an ideal city to live in. With more than 1,330 companies housed in the city, Nantes also boasts a rich economic and industrial identity.

Application

Candidates should send an electronic application by **February 28, 2019**, including an application letter; a curriculum vita; two selected publications; and information regarding previous teaching experience by e-mail to André Sobczak, Audencia's Associate Dean for Faculty and Research – faculty-recruitment@audencia.com.

Informal inquiries about the position can be sent to Thibaut Bardon, Head of Research Affairs for the Management department: tbardon@audencia.com or Anne-Christine Le Du, Head of pedagogy for Management department: acledu@audencia.com
